§ 14.605 Suits against Department of Veterans Affairs employees arising out of a wrongful act or omission or based upon medical care and treatment furnished in or for the Veterans Health Administration.

(a)(1) Section 2679 of title 28 U.S.C., provides that no suit will lie against a Federal employee, or the employee's estate, for damage to property, personal injury, or death resulting from his or her wrongful act or omission while acting within the scope of his or her office or employment with the Federal Government. An action against the United States under 28 U.S.C. 2671-2680 is the exclusive remedy under these circumstances.

(2) Section 7316 of title 38 U.S.C., provides that (i) where there is remedy against the United States under 28 U.S.C. 2671-2680, or (ii) where proceedings for compensation or other benefits from the United States are provided by law, and the availability of

such benefits precludes a remedy under 28 U.S.C. 2671-2680 (as is the case, for example, in the Federal Employees' Compensation Act, 5 U.S.C. 8101, *et seq.*), such recourse is the exclusive remedy for property damage, personal injury, or death allegedly occurring as a result of malpractice or negligence committed by a physician, dentist, nurse, physician's assistant, dentist's assistant, pharmacist or paramedical (for example, medical and dental technicians, nursing assistants, and therapists), or other supporting personnel, while furnishing medical care and treatment in the exercise of duties in or for the Veterans Health Administration. Accordingly, a malpractice or negligence suit for property damage, personal injury, or death will not lie against such personnel under the circumstances set forth in this subparagraph.

(b) The Department of Justice will defend any civil action or proceeding brought in any court against persons referred to in paragraph (a) (1) or (2) of this section under the circumstances set forth therein. Accordingly, when a suit is filed against any employee of the Department of Veterans Affairs as a result of a wrongful act or omission arising out of employment with the Government, or as a result of furnishing medical or dental care and treatment in or for the Veterans Health Administration, the employee shall immediately forward a copy of all papers served on him or her to the Regional Counsel having jurisdiction over the area in which the employee works. The employee will also promptly forward to the appropriate Regional Counsel a signed statement indicating whether he or she desires the Department of Justice to provide representation, and to otherwise protect his or her interests as provided for by law. Even though there may not have been service, if an employee learns that a suit arising from either of the above-described circumstances has been filed against him or her, the employee shall immediately so advise the appropriate Regional Counsel, provide the Regional Counsel with a brief description of the facts involved, and state whether he or she desires Federal intervention.
